

2008-2009 PFA VOLUNTEER FORM

Dear Parents,

Volunteering at GACS is very rewarding and we are so blessed with the dedication and commitment of all of our families. It has been said that “*You get out of something what you put into it...*” Put your time into GACS and you will see how much you and your children will benefit from a great experience.

Each GACS family is required to fulfill volunteer service hours each school year. For a complete and detailed description of this requirement, please refer to your GACS handbook (this is online at gacsfl.com.)

The PFA is organizing volunteers for the new school year. Please indicate below which committee(s) you wish to volunteer for. You will be placed on a committee roster and the Chairperson will contact you to discuss your participation. If you have any questions, please contact PFA 2nd Vice President Cynthia Factor (rist_2001@yahoo.com/727-772 8207)

NAME: _____

HOME PHONE: _____
