

## GACS Parent Involvement Program Volunteer Time Sheet

The Parent Involvement Program is a self-reporting system that utilizes time sheets for the purpose of recording the number of volunteer hours completed. Service hours are calculated from time sheets only and parents should not rely on anyone else to submit their time sheet. ***Students will not be allowed to take their final exams or receive their final report card until the required hours are served or fees are paid.***

Please use this form to log all volunteer hours. Please return completed forms ATTN:Cynthia Factor
